INDIVIDUAL CARDLOCK APPLICATION & AGREEMENT

Name: _____

Address: _____

City, State, Zip _____

Code: Phone: _____

The following is required under ORS 480.345

PROOF OF BUSINESS REQUIREMENT: I/we agree to provide verifiable proof of business in the form of a Federal Employee Identification Number (FEIN), or a copy of a document issued by a governmental agency that clearly indicates active participation in the business, government agency, nonprofit organization, or charitable organization. Unless an FEIN is used to verify business, I/we will provide an updated copy (as checked below) either annually or upon expiration.

Federal ID # _____

- Unexpired Business License Current Federal Income Tax Schedule C or F Equivalent Documentation
 (subject to approval)

MINIMUM FUEL PURCHASE REQUIREMENT: I/we agree to purchase 900 gallons of Class 1 flammable liquids or diesel fuel from any source annually, **or I am exempt from the minimum gallon purchase requirement by checking one of the following below.**

- I/we have been a continuous cardlock customer since at least June 30, 1991. (Supporting evidence required)
 I/we engage in farming and claim fuel as a deductible expense and will annually provide a federal schedule F showing on the appropriate line the amount of fuel expenses being deducted.

We are one of the following (check as appropriate):

- A government agency providing fire, ambulance, or police services under ORS 480.345
- A people's utility district organized under ORS chapter 261
- A domestic water supply district organized under ORS chapter 264
- A mass transit district organized under ORS 267.010 to 267.390
- A metropolitan service district organized under ORS chapter 268
- A special road district organized under ORS 371.305 to 371.360
- A 9-1-1 communications district organized under ORS 403.300 to 403.380
- A sanitary district organized under ORS 450.005 to 450.245
- A sanitary, water authority or joint water and sanitary authority organized under ORS 450.600 to 450.989
- A rural fire protection district organized under ORS chapter 478
- A water improvement district organized under ORS chapter 552
- A water control district organized under ORS chapter 553
- A port organized under ORS chapter 777

BUSINESS USE REQUIREMENT: I/we agree to dispense Class 1 flammable liquids **only** into motor vehicles, or approved containers, that are **owned or used** by this business, government agency, nonprofit organization or charitable organization. I will not dispense fuel for personal use.

FIRE SAFETY TRAINING REQUIREMENT: I have completed the fire safety training as required by the State Fire Marshal, and agree that each individual and employee allowed to dispense Class 1 flammable liquids for my account will receive or has received the fire safety training **before** dispensing any gasoline.

By signing this agreement, I certify that all information provided is true and correct and I/we understand that my/our account may be cancelled for violations of this agreement or State Fire Marshal cardlock regulations.

Typed or Printed Name: _____

Signature: _____ **Date:** _____

Under ORS 162.075, falsely certifying that you are qualified to be a non-retail fuel customer or that the above information is true and correct, when it is not, is a Class A Misdemeanor.

DO YOU CURRENTLY HAVE CARDLOCK CARDS? YES NO

IF YES, PACIFIC PRIDE or CFN (please circle one) FRANCHISE NAME? _____

Additional terms for cardlock use:

1. This access card is used to initiate Pacific Pride/ CFN transactions. This access card is not a credit card.
2. Customer shall be responsible for payment to Tyree Oil, Inc. for all purchases made using the cardlock cards delivered to Customer, regardless of whether use is unauthorized or fraudulent. In case of lost or stolen card, Customer shall be responsible for purchases made by said card(s) for up to 24 hours after the time customer notifies Tyree Oil, Inc. The purchaser agrees that they, or anyone issued cards under them, will not have the PIN# security access code on or near the card(s).
3. Customer represents that it and any person using the cardlock, will first receive training to make each user fully understand proper use of the cardlock system and shall use safe practices in compliance with the regulations of the local Fire Code in the handling of the fuels dispensed from the cardlock system. Customer agrees to indemnify and hold Tyree Oil, Inc. harmless from any claims and costs including, but not limited to, those for bodily injury and property damage which may be occasioned by the negligence or misuse of the cardlock system by Customer or any other person using the cardlock cards delivered to the Customer hereunder.
4. Tyree Oil, Inc. shall use its best efforts to maintain the cardlock system in good working order and condition, at its expense, provided however Tyree Oil, Inc. shall not be responsible for any damage or loss which may result from its failure to provide fuel or the failure of the cardlock system in any manner whatsoever. Customer agrees that it and any other person using the cardlock cards delivered to Customer shall properly notify Tyree Oil, Inc. of any malfunctioning of the cardlock system of which Customer or such person is aware.
5. Customer's right to purchase fuel through the cardlock system may be terminated immediately upon any breach of any of the terms hereof or of any other agreement with Tyree Oil, Inc. Upon termination, Customer agrees to immediately surrender all cardlock cards issued to Customer and to immediately pay all outstanding sums owing Tyree Oil, Inc.
6. Customer agrees that by signing, it will not hold Tyree Oil, Inc. responsible for any form of breach of contract with any other distributor.

<p>DIESEL USE: For diesel tax purposes, how should your diesel purchases be reported? (Select appropriate box)</p> <p><input type="checkbox"/> Off-road vehicles (no tax charged).</p> <p><input type="checkbox"/> We charge you both State and Federal Taxes (we file reports for you).</p> <p><input type="checkbox"/> We charge you Federal tax only (for PUC vehicles). MUST PROVIDE WEIGHT/MILE CERTIFICATE – PLEASE SEE ATTACHED EXEMPTION SHEETS</p>

FIRE SAFETY TRAINING SAFE FUELING GUIDELINES

Please Keep For Your Reference

The following are guidelines you **MUST** follow when using a cardlock facility.

NO SMOKING

- Smoking is not permitted. Doing so could result in a serious fire and/or injury.

FIRE EXTINGUISHER LOCATION & USE

Location and instructions for use must be conspicuously posted.

TO USE:

- Hold the extinguisher upright
- Pull ring pin
- Stand back 8 feet from the fire
- Aim at base of fire and squeeze lever
- Sweep side to side

IDENTIFY EMERGENCY EQUIPMENT

Emergency equipment has been installed at this site. Signs have been posted to help you identify it.

BEFORE fueling, please note the location of the following emergency equipment.

- FIRE EXTINGUISHERS.
- A RED EMERGENCY STOP BUTTON is on the card reader station panel. This will shut down the fuel pumps.
- AN EMERGENCY SHUT OFF SWITCH. This allows you to shut down the entire system from a location other than the fueling island. It is clearly identified with a sign. If a fire starts use the EFSO.
- A TELEPHONE or a fire alarm transmitting device.

THE SITE OPERATOR'S telephone number is posted at the site. If you need assistance or need to report a spill or problem, call this number.

CONTAINERS

Only approved containers may be filled.

Approved containers must be:

- CLEARLY MARKED with the name of the liquid. (NFPA No. 30A, Sec. 9.2.3.2).
- Constructed of metal or approved plastic, have a tight closure, and be fitted with a spout or be so designed that the contents can be poured without spilling. (OFC 3404.3 –NFPA 30 4.2).

- A metal or *plastic safety that holds 5 gallons or less (NFPA 30 table 6.2.3).
 - * An approved plastic container is one that has been tested and listed to be in compliance with the requirements of ASTM F 852 or F 976, ANSI/UL 1313, or 49 CFR.
- A metal drum, meeting DOT specifications that holds 60 gallons or less (NFPA 30, Sec 4.2.3).

Procedures for fueling portable containers:

- Portable containers up to 12 gallons **must** be placed on the ground before filling. **DO NOT FILL PORTABLE CONTAINERS WHILE THEY ARE IN A TRUNK, A BOAT, OR BED OF A PICKUP!** (NFPA No. 30A, Sec. 9.2.3.3)
- Do not use latch open devices when filling portable containers.

OTHER PRECAUTIONS

- STOP YOUR ENGINE and put your vehicle in PARK or set your emergency brake. You **MUST STOP** your engine before fueling. Discharge static electricity before touching the nozzle.
- You must remain outside your vehicle and must attend the nozzle and be in full view of the nozzle while refueling.

HOW TO BEGIN FUELING

- Insert access card into the card reader and remove it. Directions will appear on the screen of the card reader.
 - Enter your security number. Press ENTER.
- (On a two card system, you will now enter the vehicle card using the same process).
- Enter your 5 digit odometer number or any other number. Press ENTER.
 - Activate the pump by entering the pump number. Press ENTER.
 - Lift the nozzle from the pump and insert the nozzle deeply into the fuel tank.
 - Activate the pump by lifting the lever on the side of the pump.
 - Pull the trigger on the nozzle and begin to dispense fuel.

The optimum nozzle setting for speed of delivery is between ½ and ¾ open. Faster delivery may result in a spill.

If the nozzle is activated too quickly, a leak detector will automatically slow pumping to a trickle. If this happens, release the trigger on the nozzle and wait 10 seconds. Pull trigger back on and pumping should be normal.

FUELING COMPLETED

- The nozzle should click off when the tank is full.
- Shut the pump off by moving the lever on the pump down.
- Return the nozzle to its hanger.

IN CASE OF FIRE, SPILL OR RELEASE

1. USE EMERGENCY PUMP SHUTOFF
2. CALL 911 TO REPORT THE ACCIDENT, or press the fire alarm if no phone is available.

IN CASE OF SPILL OR RELEASE: CALL THE OPERATOR EMERGENCY NUMBER.

WARNING: Driving away with the nozzle still in your vehicle can result in fire or spill, which could lead to extreme damage and serious injury.

If you drive off with the nozzle in the vehicle, follow the procedures below:

1. STOP VEHICLE.
2. TURN PUMP OFF.
3. PUT HOSE BACK ON PUMP IF POSSIBLE.
4. REPORT INCIDENT USING EMERGENCY NUMBER POSTED AT SITE.

Advise of:

- Your Location
- Pump Number
- Date and Time
- Your Name and Telephone Number

If other assistance is needed call the emergency number and report the problem.

CAUTION! HAZARDOUS MATERIALS

ALL FUELS ARE HAZARDOUS. Read the following warning statements.

DANGERS OF GASOLINE

- Gasoline is extremely flammable.
- Harmful or fatal if *swallowed*.
- May be harmful if *inhaled or absorbed through the skin*.
- May cause *irritation*.
- Long term exposure to *vapors* has caused *cancer* in laboratory animals.
- Keep away from heat, sparks, and flame.
- Avoid breathing *vapor*.
- Use only in well *ventilated* locations.
- Avoid contact with *eyes* and prolonged contact with *skin*. Wash thoroughly after handling.
- Keep container closed.
- FOR USE AS MOTOR FUEL ONLY.

DANGERS OF DIESEL

- Diesel is *combustible*.
- May cause irritation to *eyes*.
- Avoid contact with *eyes*.
- Middle distillates (including diesel) have caused *skin cancer* and *kidney damage* in laboratory animals.
- Keep away from *heat and flame*.
- Use only in well *ventilated* locations.
- Avoid prolonged or repeated contact with *skin*. Wash thoroughly after handling.
- Keep head away from container when opening or dispensing.

FIRST AID PROCEDURES

It is important that you follow these emergency and first aid procedures if you come into contact with gasoline and diesel fuel.

EYES: Flush with water for 15 minutes.

SKIN: Wash exposed areas with soap and water.

INGESTION: DO NOT induce vomiting. May cause chemical pneumonitis. Call doctor.

INHALATION: Should symptoms noted under physiological effects occur, remove to fresh air. If not breathing, apply artificial respiration.

OTHER INSTRUCTIONS: Remove gasoline or diesel soaked clothing.

PHYSIOLOGICAL EFFECTS

Acute Effects - Severe With Short Duration

Gasoline AND Diesel:

- Causes slight to moderate *eye* irritation.
- Moderately irritating to the *skin*; causes redness, edema, or drying of the skin.

Gasoline:

- May cause dizziness; irritation of eyes, nose and throat; vomiting; and bluish color of the skin.
- To the *central nervous system*, may cause contracted pupils, loss of reflexes, convulsions, seizures, sudden loss of consciousness, coma, and sudden death.
- Other symptoms are: Headaches, mental confusion and depression, flushing of the face, loss of appetite, nausea, slurred speech, and difficulty in swallowing.

Diesel:

- Inhaling high concentrations of diesel vapors may cause drowsiness or unconsciousness (narcosis).

Chronic Effects - Severe With Long Duration

Recent studies with laboratory animals have shown that diesel and gasoline vapors cause kidney cancer in mice.

IMPORTANT NOTICE

This FIRE SAFETY TRAINING BROCHURE meets all requirements of Oregon Administrative Rules, Chapter 837, Division 20 and the Flammable Liquids Dispensing Regulations, ORS 480.345.

Please read and provide this information to all employees who are authorized to dispense fuel prior to dispensing. This brochure contains important information for those who operate nonretail fuel dispensing equipment.
